

**Crossing
your fingers
won't help.**

**Emergency
Birth Control WILL.**

Emergency contraception:

- ◆ **can prevent pregnancy AFTER unprotected sex.**
- ◆ **is NOT “the abortion pill.”**
- ◆ **Works best within 24 hours after unprotected sex — but can work for up to 5 days.**

**Ask today or call
1-888-NOT-2-LATE.**

*Just in case you ever
have a birth control
emergency.*
