Youth Empowerment

What is Youth Empowerment Opportunity Program?

The Youth Empowerment Opportunity Program focuses on strengthening the safety/well-being of young people, encouraging them to finish high school, empowering them to access resources as needed and advocate for themselves. YEOP can help young people create their individualized plan toward goal setting and being self-sufficient. Program staff assist in creating a step-by-step road map for overcoming challenges, empowering young people to believe in themselves and celebrating success. YEOP offers case management services and encouragement in fulfilling dreams for the future.

Who is eligible?

Young people age 12-19 years who reside in Forsyth County.

Questions?

For questions about the program or enrollment, please contact the program case manager, Valeria Bethea, at 336-714-3218 or by email at vybethea@charlottediocese.org.
